Company Profile

ABOUT BRAUNS INTERNATIONAL

Brauns INTERNATIONAL are a global provider of removal and relocation services. A company with more than 100 years history which is highly experienced in relocating staff in public institutions provides you and us with the assurance that your move will be done with the highest degree of quality.

Our removal company works regularly with various public institutions, so that we do not only own a number of framework contracts, but are also able to implement them logistically.

With Brauns INTERNATIONAL **you can be sure of moving „worldwide“. We offer worldwide removal services.**

Das Firmengelände von **Brauns** INTERNATIONAL

COMPANY PROFILE

- Worldwide operating removal and relocation company
- Founded by Carl Brauns in 1884, since 1989 specialising in international removals
- Over 100 employees with facilities in Germany and the USA
- Servicing our customers directly through our own representatives, even after the move has been completed
- Since 1998 membership in the FIDI, a worldwide established federation in the moving industry
- Certification with FAIMplus since 2000, the highest quality standard in the moving business
- Global network of FIDI members

We offer international removal services worldwide

HUMAN RESOURCES AND ENVIRONMENTAL MANAGEMENT

Staff

- Our employees are at least bilingual (English and German)
- We provide internal and external training and learning courses on a constant basis
- Our highly qualified packers have additional qualifications as electricians and carpenters
- All employees have permanent contracts

Environmental Management

- Our products do not contain PVC
- All materials are recyclable
- All used packing materials are returned to the manufacturer in order to be re-used in the production-cycle
- Our fleet is very modern (on average newer than 5 years)
- Constant optimization to avoid empty trips

VEHICLES AND STORAGE

Vehicles

- All vehicles have the latest technology
- All vehicles meet the newest EURO-air pollution restrictions
- A modern fleet of specially equipped Mercedes-Benz commercial vehicles and vehicles for our in-house and field staff

Storage Of Goods

- Two storage facilities equipped with climate control
- Both storage facilities are air-conditioned and equipped with fire and burglary protection
- Special packing of household goods with moisture resistant materials

At our headquarters in Bremerhaven, we've installed a **400 MWh photovoltaic solar power system** on the roof. For over six years, it has reliably provided us with **climate-neutral energy**, powering our **electric vehicle fleet**.

SERVICES FOR MOVES WORLDWIDE

We see ourselves as a „Global Player“. Through our own operations and those of our partners, we offer services all over the world. Our move management is the perfect solution for those companies who look forward to dealing with one competent partner when it comes to their corporate move.

Moving overseas

- Packing of household goods appropriately for overseas international transports
- Custom-tailored wooden crates for antique furniture and works of art
- Professional loading & unloading of oversea containers
- Special packing materials for breakables (china, glassware, etc.)
- Customs handling
- Vehicle and animal transport as well as customs processing
- Specialized personnel for special goods (grand pianos, pool tables etc.)
- Move-Management
- Relocationservice

- Loading & unloading of trucks with the newest technology
- Transportation in Germany and all over Europe
- Dismantling and re-assembly of built-in kitchens
- Dismantling and re-assembly of furniture
- Electrical and plumbing services

MOVE MANAGEMENT

We see ourselves as a "Global Player". Through our own operations and those of our partners, we offer services all over the world. Our move management is the perfect solution for those companies who look forward to dealing with one competent partner when it comes to their corporate move.

- Organisation & handling of relocations worldwide
- Customs handling worldwide
- Maintaining our level of quality with personal visits of our staff members to our worldwide partners
- All moves are handled under the provision of German Law, which assures our customers a high level of protection
- Creation of annual reports with statistical move data

RELOCATION SERVICE

As a full service provider for the moving business we also offer relocation services. Especially when moving to a foreign country, knowledge about the destination is very important. Negotiating rental contracts, organising a driver's licence or checking out local schools, **Brauns** INTERNATIONAL will be happy to assist you.

- Rental apartments furnished and unfurnished
- Negotiation of rental contracts
- Assistance with purchasing or leasing vehicles
- Help with government issues worldwide
- Help with opening foreign bank accounts
- Help with providing schools for children
- Temporary housing
- Intercultural training of employees

OUR DEMAND

Brauns INTERNATIONAL is constantly trying to improve the quality of our work. Because of internal and external training of our workforce, the use of the newest information technology as well as a superior quality management system, we can guarantee our success.

FIDI: Federation Internationale des Demenageurs Internationaux. FIDI is an international association of worldwide movers which consists of more than 500 members in 100 different countries. A constant quality control of all members is secured by Cap Gemini Ernst & Young.

FAIM/Plus: FIDI ACCREDITED INTERNATIONAL MOVER. The certification was implemented by the FIDI and aims for the highest quality standards which highlights our goal for minimum customer satisfaction of 92 %.

IAM is a global association of movers and forwarders committed to providing customers with the highest level of service available. Our worldwide membership of over 2,000 companies from more than 165 countries and territories are available to move you wherever life may take you.

AMÖ German "Arbeitsverband der deutschen Moebelspediteure"

DIN EN ISO 9001: In 1996 **Brauns** INTERNATIONAL was the first relocation company in the federal state of "Bremen" to be ISO 9002 certified. In June 2002 we were ISO 9001 certified.
